Get One Sdn.Bhd's Official Warranty Statement:

Being the proud manufacturer of the LUXNUR LED Lights, we, Get One Sdn.Bhd, extend our firm assurance of the product's unmatched durability, quality, and performance. To underline our commitment, we are pleased to present this warranty certificate, valid for five (5) years from the installation or purchase date.

IN-DEPTH WARRANTY COVERAGE:

In the unlikely event that the LUXNUR LED luminaire, a creation of Get One Sdn.Bhd, encounters performance or functional issues within the stipulated 5-year period, our promise is to address and rectify. This includes replacing the entire system or specific components, contingent upon the problem's nature.

Our esteemed customers can rest easy, knowing that any such concerns will be addressed promptly, ensuring minimal disruption.

FINANCIAL TERMS:

Recognizing the significance of public investment, we at Get One Sdn.Bhd pledge that any warranty-covered repairs or replacements will be undertaken at our own expense, incurring zero costs to the governing body or associated entities.

EXCLUSIONS CLEARLY DEFINED:

Our warranty is expansive, but it's essential to note it doesn't encompass damages due to misuse, accidental mishaps, unauthorized post-installation modifications, or the inevitable wear and tear that doesn't diminish the luminaire's primary functionality.

For the smooth applicability of this warranty, we emphasize the importance of adhering to the usage guidelines provided by Get One Sdn.Bhd.

OUR PROMISE TO YOU:

Your trust in Get One Sdn.Bhd and our LUXNUR LED Street Light strengthens our resolve to deliver unparalleled excellence. We are not just providing a product, but a lasting relationship founded on trust, impeccable quality, and our unwavering commitment to illuminating spaces with unmatched brilliance. Your peace of mind and satisfaction are our primary drivers, today and into the future.
